

Fact Family (Song to the tune “Old McDonald”)

In addition the big number goes last, E.I., E.I.O.

With the big number there and the other numbers here, here a number, there a number, everywhere a number...

Fact Families are so fun, E.I., E.I.O.

In subtraction the big number goes first, E.I., E. I.O.

With the big number there and the other numbers here, here a number, there a number, everywhere a number...

Fact families are so fun, E.I., E. I.O.

The other numbers flip around, E.I., E.I.O.

With a flip here and a flip there, here a flip, there a flip, everywhere a flip, flip.

Fact Families are so fun, E.I., E.I.O.
